CORPORATE MEETING PACKAGE

Founded by British Chef Kieron Hales, Zingerman's Cornman Farms is an historic 27-acre working farm, where people come together to learn how to enjoy life simply, with whole ingredients, by the easy efforts of family and community. Kieron brings more than 20 years of world-class culinary experience to our farmhouse kitchen for private dining and events. We pride ourselves on our exceptional customer service and world class cuisine. Your comfort is our highest priority and we provide all the essential elements for effortless entertaining.

Yours,

Kieron

The Red Barn

Built in 1837 and restored in 2011, the Red Barn features a Bar Room and a beautiful Loft Dining Room. The temperature controlled barn accommodates as many as 50 guests for a presentation style. Nestled in our landscaped grounds and gardens, guests enjoy an exquisite setting for a corporate retreat. The Barn offers a unique and comfortable space reminiscent of old world entertaining. The original wooden walls, gabled roof, wood burning fireplaces and terrace provides an elegant and rustic backdrop for all occasions.
